I never met Dr. Charles Andy Sandberg, known as Sanderson B. N. I would go to see a play at the Theatre and Harvey would come. Vera and I had a terrific time. Betty and I were in Elaine Ward's makeup.

Many seniors enjoyed the Advanced Biology field trip to Pratt's Wayne Forest Preserve. Divided into three groups, botanical, zoological, and physical, the class spent the day studying the fall wildlife in the area. At left — Dave Cupchoy sets up the necessary four point quadrant. Above — Glenna Greene and Karen LaBarre prepare a feast for their classmates and beloved leader, Mr. Gary Williams.

WHAT LEGS! Sandy Lenz, a senior leader, attempts a kickball home run as her fellow teammates watch on. Sandy Lenz was one of the first senior leaders at Glenbard North, as sophomore girls were given the opportunity of going into the leaders program. As juniors, all aspects of physical education is learned, so that as seniors they are capable of helping fellow students. So again the class of '74 leads the way with a new program at Glenbard North High School.

juniors

Spending high school, being a junior, and approaching four years will last an eternity. The class of 2014 is approaching its final year of high school and many of them wonder, "Where has the time gone?"

For the juniors, the year is a mix of excitement and anticipation. They are looking forward to the end of the year and the start of a new chapter in their lives.
